

Surface Pro Signature Type Cover

Our most luxurious Surface keyboard and cover

Pitch

For a full keyboard and comfortable typing experience anywhere, pair Surface Pro Signature Type Cover with Surface Pro 7.* Sleek, compact and adjustable, it includes a complete mechanical keyset, backlit keys, and large trackpad for precise navigation. Plus, three colors¹ are covered in rich, warm Alcantara® material² for an added touch of luxury.

Top Reasons to Buy

- Features a full mechanical keyset, backlit keys, and large trackpad for precise navigation and control.
- Slim and compact, yet performs like a traditional, full-size keyboard.
- Clicks in place instantly — use in combination with Surface Pro
- Kickstand for a best-in-class laptop experience anywhere.
- Luxurious Alcantara® material on select covers is soft and smooth, yet durable and stain resistant.
- Close to protect screen and conserve battery, or fold back completely for a take-anywhere tablet.
- Enhanced magnetic stability — adjusts to virtually any angle.
- Optimal key spacing for fast, fluid typing.
